American Pride Fasteners cc 35WL2
ATTN: Lynda Zacpal
195 S Fehr Way
Bay Shore, NY 11706

Dear Ms. Zacpal:

Thank you for your cooperation during the Quality Assurance (QA) Capability Survey conducted at your facility on May 2, 2016. Your company complies with all of the DLA Troop Support Industrial Hardware Qualified Suppliers List (QSL) Criteria and Provisions. American Pride Fasteners (cc 35WL2), is hereby approved to be listed as a QSL Manufacturer for Class 2 and Class 3 Threaded Fasteners (CL2/3TF), effective October 20, 2016. This qualification is based on the review of your quality manual, the successful testing of your samples, and the result of the aforementioned survey.

Qualification in the QSL program is a 3-year term and it is the responsibility of your company to renew your participation in the program. This qualification term shall expire in October 21, 2019. It is recommended that renewal application be submitted at least 120 days prior to expiration in order to ensure no gap in the qualification status. Please see the DLA's QSL Criteria and Provisions for details about the commodity your company is approved to manufacture on our QSL home page at <http://www.dla.mil/TroopSupport/IndustrialHardware/Engineering-and-Technical-services/Qualified-Suppliers-List/>.

Also, please keep in mind that audits may be conducted at any time, either announced or unannounced.

If you have any questions, I can be reached by telephone at (215) 737-7441 or via email at kelly.floyd@dla.mil. Thank you for your participation in the QSL program for distributors.

Sincerely,

A handwritten signature in black ink that reads "Kelly Floyd".
